

# GAS & OIL EXPO

JUNE 11-13, 2013

**TAP INTO THE LARGEST RESOURCE SUPPLY  
CHAIN IN THE WESTERN  
WORLD...CANADA'S OIL SANDS!**

Projected spending in Canada's oil sands projects and infrastructure is estimated at over \$2 Trillion in the next 25 years. **Can your company afford to miss out?**

### Gas & Oil Expo 2013 offers:

- Over 500 exhibiting companies
- More than 20,000 registered visitors expected
- Attending delegates from SPE Heavy Oil Conference Canada
- Over 100,000 net square feet of indoor and outdoor exhibits
- Outdoor displays of oilfield equipment and specialized technology
- Business presentations by featured exhibitors and associations

### Why you can't afford to miss this event:

- Showcase directly to buyers and users
- Launch new products or services
- Meet face to face with clients
- Identify commercial opportunities
- Maintain brand visibility in the marketplace
- Assess the competition
- Source suppliers for your own supply chain
- Pinpoint areas for business development
- Establish new leads
