

The U.S. Embassy and Consulates in Canada invite you to participate in the National Aerospace FDI Expo, a first ever event on aerospace foreign direct investment (FDI) in the United States.

*The National Aerospace FDI Expo is an extraordinary opportunity to **build relationships** in a growing worldwide aerospace economy. It is also a unique gathering for **exceptional business development opportunities**. The United States is a leader in the global aerospace industry. In 2013, it generated \$416 billion, approximately 60% of the world's output. **Join us today!***

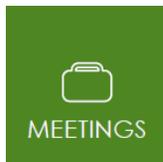

Learn from government and industry leaders

about the latest trends in the U.S. aerospace industry and foreign direct investment.

Attend workshops, seminars and presentations

on manufacturing in the U.S., FAA and other federal regulations, R&D investments, and more.

Network with U.S. federal, state and local government

officials, major U.S. and global aerospace companies, and specialized service providers.

Reserve an exhibition booth to showcase your capabilities

to aerospace companies in the U.S. and around the world.
