

U.S. Exhibitor Support Program EUROBIKE 2016 –

Cane Creek Cycling Components

www.canecreek.com

Products/Services:

Cane Creek is an employee-owned company based in the mountains of North Carolina. The company is deeply rooted in the culture of cycling and has built its reputation producing the industry's top components through its pursuit of innovative solutions. From the introduction of threadless headset technology in 1991 to the ground-breaking Double Barrel suspension line in 2005, Cane Creek continues to push the envelope with its attention to detail and quality..

Seeking: interested in meeting Wholesalers & Retailers, Original Equipment Manufacturers to purchase our components for their bikes

Countries: Worldwide

Location: B1- 202

Co-Motion

www.co-motion.com

Products/Services:

Tandem bicycle design leader Co-Motion Cycles makes touring, travel, folding, racing, custom and beautifully crafted tandems and single bikes.

Seeking: We are interested in finding a distributor for our bikes in Germany and the surrounding countries. Since our bicycles are made to order and a bit of a niche product, we are also interested in pursuing specialty retailers in areas not served by distributors.

Countries: Primarily Germany, but also looking for contacts in Benelux, Austria, France and the UK

Location: B1-414

Faraday Bikes

<http://www.faradaybikes.com>

Products/Services:

Faraday designs and manufactures lightweight, elegant electric city bikes. Our award-winning bikes are some of the smoothest riding and visually iconic bikes on the market.

Seeking: We are looking for both wholesalers (distributors) and retailers

Countries: Germany and elsewhere in Europe

Location: A3-707

Kinetic by Kurt

www.kurtkinetic.com/

Products/Services:

Kinetic manufactures a complete line of bike trainers and accessories; including the Rock And Roll | Smart, the world's only free-moving stationary power trainer.

Seeking: Retailers

Countries: EU

Location: B4-303

Montague

www.montaguebikes.com

Products/Services:

Montague is the world's leading maker of full-size folding bikes. We focus on performance and ride quality first, creating some of the most versatile bikes on the planet.

Seeking: Our goal for Eurobike is to find more global distributors

Countries: Worldwide

Location: A2-403

ProGold Lubricants

www.progoldmfr.com/

Products/Services:

Bicycle lubricants and other bicycle maintenance and care products.

Seeking: interested in meeting distributors & Bicycle Magazine, Blog and Forum editors

Countries: In all European countries

Location: A1- 104

Revolights

<http://revolights.com/>

Products/Services:

We make a totally new kind of headlight/taillight for bicycles aimed at increasing cyclist safety and promoting bike riding. Best summed up here: <http://eclipse.plus/>.

Seeking: interested in meeting Wholesalers & Retailers

Countries: All EU countries, though our focus is the UK, Germany, the Nordic Countries

Location: A3-707

REV()LIGHTS

Strider Sports International, Inc.

www.striderbikes.com

Products/Services:

At Strider, we love riding bikes and we love inspiring kids to ride. Our mission is to build lightweight, efficient, all-terrain bikes that build two-wheeled balance, coordination, and confidence in children.

Seeking: Our objective is to find both wholesalers and retailers for Strider products in Europe. We are looking for distributors for Germany, France and Spain. As well as any interested dealers for the rest of the world that we can introduce to our distributors.

Countries: all regions

Location: FG-B8/3
