

Asian Development Bank Liaison Office FOREIGN GOVERNMENT TENDERS

CS ADB
December 2015

ASIA & PACIFIC: PROCUREMENT NOTICES FOR FOREIGN GOVERNMENT TENDERS

This Foreign Government Tenders report from the US Commercial Service Asian Development Bank Liaison Office (CS ADB) augments our series of regular monthly reports that give U.S. exporters advance information on Asian government tenders. This report covers advance and ongoing procurement, as well as recruitment of consultants for projects that are funded by the ADB.

U.S. firms may submit their bids directly to the executing agency listed on the procurement notice. Details of the bidding procedures are stated in the Bidding Documents issued by the executing agency or otherwise stated in the procurement notice.

U.S. firms are encouraged to keep in contact with CS ADB, especially if they decide to participate in ADB procurement activities. This office works closely with the Office of the U.S. Executive Director (US/ED) to the ADB to increase American awareness of and participation in ADB's procurement activities.

Attention: Ms. Margaret Keshishian, Director/Senior Commercial Officer

I. INSTITUTIONAL PROCUREMENT NOTICES

Institutional Procurement Notices are notices for the Asian Development Bank's internal requirements for various goods and services. For advance notices, visit <http://www.adb.org/site/business-opportunities/institutional-procurement-notices>

ASIAN DEVELOPMENT BANK

Management of ADB's Security Operations Center

Invitation to Bid

Deadline for submission of bids: **15 January 2016**; 2:00 pm (local time in Manila, Philippines)

ADB invites interested parties for the bidding of the management of ADB's Security and Operations Center at the ADB Headquarters.

The successful bidder will provide ADB with the most reliable and efficient services with the deployment of skilled manpower, equipment, materials and supervision in accordance with ADB's policies, instructions, standards and procedures.

Bidder must:

- (i) Have the nationality of eligible country in accordance with the List of ADB Member Countries. A Bidder will be deemed to have the nationality of a Country if he/she is a citizen, or is constituted, or incorporated, and operates in conformity with the provisions of the laws of that country;
- (ii) Have an independent legal existence as a valid registered company, for at least five (5) years;
- (iii) Have a specialization in corporate security management and consultancy, research, analysis, intelligence assessment and emergency communications, for at least 5 years;
- (iv) Have a sound financial and credit position for the past three years (2012 to 2014). As a minimum, the bidder's net worth/total equity calculated as the difference between total assets and total liabilities should be positive; and
- (v) Have not been under a declaration or record of ineligibility for corrupt and/or fraudulent practices issued or kept by ADB.

Contact: Unit Head, Procurement and Contracts Administration, Office of Administrative Services,
Tel: 632-4298; Fax: 636-2577 or 631-6899
E-mail: sdiano@adb.org; malbano@adb.org

II. ADVANCE PROCUREMENT ACTION

Advance action is an early procurement done by the borrowing government prior to ADB's approval of the related financing agreement.

GEORGIA

Urban Services Improvement Investment Program – Tranche 5

Executing Agency: Ministry of Regional Development and Infrastructure (MRDI)
Contact Person: Mr. Ucha Dzimistarishvili, Head - Department for Investment Projects Management,
United Water Supply Company of Georgia (UWSCG) LLC
Tbilisi, Georgia
Tel.: +995 32 919061; Fax: +995 32 919061; E-mail: U.Dzimistarishvili@water.gov.ge

Brief Project Description: Georgia has received a loan from the Asian Development Bank (ADB) towards cost of the Urban Services Improvement Investment Program, Tranche 5. Project 5 will improve sewerage and sanitation services in urban centers of Zugdidi and Mestia towns covered under the Investment Program.

The total cost of the project is estimated at \$90.00 million, inclusive of taxes, duties, and interest and other charges on the loan during construction. ADB has approved a loan of \$75 million from ADB's Special Funds resources (ADF) and Ordinary Capital Resources (OCR), and the Government's contribution is \$15 million.

Project Outputs:

- Component 1: Infrastructure Improvement
 - Construction of a new sewerage system in Zugdidi town comprising of construction of about 178 km of sewer lines, about 23 sewage pumping stations, and a new sewage treatment plant (STP) of about 11 million liters per day capacity¹; and
 - Construction of a new STP of 1.5 million liters per day capacity in Mestia town.
- Component 2: Project Implementation Support
 - Construction supervision and project management support;
 - Implementation of a public awareness program in Zugdidi to disseminate information on hygiene and sanitation; and
 - Establishment of customer care units in the service centers, which are staffed by at least 30% women that inform, educate, and communicate on water, hygiene, and sanitation, which is continuation from the Tranche 4.

Procurement: All procurement of goods and works will be undertaken in accordance with ADB's Procurement Guidelines. Tranche 5 loan shall include international competitive bidding (ICB) for two works contracts namely: (i) civil works for construction of sewerage system in Zugdidi, and (ii) procurement of civil, mechanical and electrical works for STP construction in Mestia and Zugdidi (Design, Build and Operate).

Bidders' eligibility will be determined in accordance with ADB's Procurement Guidelines. Accordingly, no bidder or potential bidder shall be declared ineligible for ADB financed contracts for any reason other than those set out in ADB's Procurement Guidelines. For goods or services funded by the loans from ADB's Special Funds resources, payments are limited to goods produced in, and services supplied by, developed member countries that have contributed to such resources and all developing member countries.

Consulting Services: All consultants will be recruited according to ADB's Guidelines on the Use of Consultants. The consultants will be recruited for following activities: (i) Construction supervision and

project management consultant; and (ii) Auditor for auditing Annual Project Financial Statements (APFS) for FY2015, FY2016, FY2017, FY2018 and FY2019.

NEPAL

Earthquake Emergency Assistance Project

Executing Agency: Ministry of Finance

Brief Project Description: The Earthquake Emergency Assistance Project will support the Government of Nepal to accelerate recovery and reconstruction following the devastating earthquake of 25 April 2015 and the major aftershock of 12 May 2015. The project will support the rebuilding of schools, roads, and district-level government buildings, and strengthen resilience to future disasters.

Brief Description of Goods and Related Services, Works or Consulting Services to be procured: For Transitional Office Buildings in Nuwakot, Dhading, Ramechhap, Dolakha, Kabhre, Sindhuli districts and Kathmandu (PIU). The works mainly comprise of:

- i. Type A: Fabrication, Supplying, Erection and construction of Prefabricated Transitional Office Building of size 3.6 m x 12 m. using Non-asbestos Fiber Cement Board as a partition materials- 53 Nos.
- ii. Type B: Fabrication, Supplying, Erection and construction of Prefabricated Transitional Office Building of size 3.6 m x 6 m. using Prefabricated Polyurethane (PUF) board as a partition materials- 73 Nos.
- iii. Type C: Fabrication, Supplying, Erection and construction of Prefabricated Transitional Office Building of size 3.6 m x 6 m using 3D Panel (Structural Insulated reinforcement Concrete Wall Panel) as a partition materials-41 Nos.

Construction of Septic Tank, Manholes, Soak Pits and Supply and Installation of 2000 Ltr PVC water tanks (41 Nos. of each)

SRI LANKA

Supporting Electricity Supply Reliability Improvement Project

Executing Agency: Ministry of Power and Energy
Mr. Upali Daranagama, Additional Secretary
Tel. +94112574922; Fax: +94112574743; E-mail: upali@energy.gov.lk

Brief Project Description: The Project will cover 116 rural electrification schemes and 2,150 km. of low voltage line extensions. Innovative hybrid mini-grids, consisting of wind solar and efficient diesel generation systems coupled with energy storage (lithium-ion batteries), will be implemented on the small isolated islands. As a result, the project will help to ensure inclusiveness and access to electricity by all population.

Brief Description of Goods and Related Services, Works or Consulting Services to be procured:

- Package 1: Supply and Delivery of Materials (Poles)

- Package 2: Supply and Delivery of Materials (MV/LV hardware and Accessories, Transformers, PVC Mete Enclosures
- Package 3: Supply and Delivery of Materials (Accessories for ABC, MV Insulators and Conductors and Cables)
- Package 4: Construction of 33 kV lines and Gantries
- Package 5: Construction of Hybrid Renewable Energy Systems in Small Islands

TAJIKISTAN

Strengthening Technical and Vocational Education and Training Project

Executing Agency: Ministry of Labor, Migration and Employment

Brief Project Description: The project promotes a demand-driven, quality assured, and flexible technical and vocational education and training (TVET) delivery system in Tajikistan. The project will help develop and implement industry-endorsed competency standards and competency-based training (CBT), upgrade the physical learning environment, train TVET teachers and masters, and strengthen governance and management of the TVET system. The project will promote private sector participation in TVET policy, operations, and service delivery.

Brief Description of Goods and Related Services, Works or Consulting Services to be procured: The advance contracting will be undertaken for the recruitment of five project administration group staff (project manager, finance officer, administrative officer, competency-based training development coordinator and procurement officer), two individual consultants (international industry partnership specialist and international competency standards and assessment tools development), and two consulting firms (an international project implementation firm and a national research firm to conduct a survey for the Market-responsive and inclusive training program).

TIMOR-LESTE

Road Network Upgrading Project (Additional Financing-Administration of European Union Grant)

Executing Agency: Ministry of Public Works, Transport and Communications
Through: Project Management Unit
Coordinator: Odete Genoveva Victor da Costa
Email: pmu_adb@yahoo.com

Brief Project Description: The proposed project will upgrade about 43.85 kilometers (km) of road to an all-weather asphalt surfaced standard. Routine maintenance will be carried out during the Defects Notification Period and will comprise the activities necessary for keeping the road in compliance with the performance standards and service levels.

Brief Description of Goods and Related Services, Works or Consulting Services to be procured:

- (i) Road C13 (Sta 0+000 to Sta 11+810) in the Ermera District (11.81 kms);
- (ii) Road C16/C17 Package 1 (Sta 0+000 to Sta 13+500) in Liquica District (13.50 kms);
- (iii) Road C16/C17 Package 2 (Sta 13+500 to Sta 32+045) in Liquica and Ermera Districts (18.54 kms);

and

- (iv) Consultant services for supervision of construction contracts for the roads from Road C13 (Sta 0+000 to Sta 11+810) in the Ermera District (11.81 kms), Road C16/C17 Package 1 (Sta 0+000 to Sta 13+500) in Liquica District (13.50 kms), and Road C16/C17 Package 2 (Sta 13+500 to Sta 32+045) in Liquica and Ermera Districts (18.54 kms)

UZBEKISTAN

Djizzak Sanitation System Development Project

Executing Agency: Uzkommunkhizmat Agency (UCSA)/1 Niyozbek Yuli St., 100035, Tashkent, Uzbekistan

Brief Project Description: The impact of the project will be improved living standards, environment, and public health in Djizzak. The outcome of the project will be improved and expanded access to reliable, sustainable and affordable sanitation services in Djizzak.

Brief Description of Goods and Related Services, Works or Consulting Services to be procured:

- Project development consultants and construction supervision and preparation of bid documents (international 85 person-months and national 132 person-months) and detailed design consultants for construction and rehabilitation of sewerage network and pumping stations (national 130 person-months).
- Civil works construction of trunk sewers (45.80 km in length), a new wastewater treatment plant, and one pumping station; rehabilitation of trunk sewers (16.75 km) and three pumping stations. Procurement of utility vehicles, equipment and machineries; and decommission obsolete components.

III. PROCUREMENT NOTICES

Specific procurement notices are notification of imminent bidding opportunities generated from ADB-funded projects and programs. The actual procurement notice as posted by ADB may be accessed by clicking on the project or program title. Loan No.: 2763-BAN (SF)

Contract No. and Title:

Package Nos:

1. W-B-BAN-Nai-UZR/03A
2. W-B-BAN-Nai-UZR/03A1
3. W-B-BAN-Nai-UZR/03B
4. W-B-BAN-Nai-UZR/03C
5. W-B-BAN-Nai-UZR/03D
6. W-B-BAN-Nai-UZR/03E

Deadline for Submission of Bids: **6 January 2016**, 2:00 P.M. (local time)

The Local Government Engineering Department (LGED) ("the Employer") invites sealed bids from eligible bidders for the Procurement of Road Construction Works for Six (6) packages as detailed below. Bidders may bid for one or several packages.

Package No.	Description of Work	Time for Completion (days)
W-B-BAN-Nai-UZR/03A	Improvement of Naikhongchari-Tumbru Road by HBB from (Ch: 13400 to 15250m); under Naikhongchari Upazila, Dist: Bandarban	529
W-B-BAN-Nai-UZR/03A1	Construction of 15.0m (Ch-14620m) and 48.0m (Ch-15125m) Long RCC Girder Bridge on Naikhongchari-Tumbru Road; under Naikhongchari Upazila, Dist: Bandarban	529
W-B-BAN-Nai-UZR/03B	Improvement of Naikhongchari-Tumbru Road by HBB from (Ch: 15250 to 15820m); under Naikhongchari Upazila, Dist: Bandarban	529
W-B-BAN-Nai-UZR/03C	Improvement of Naikhongchari-Tumbru Road by HBB from (Ch: 15820 to 16900m); under Naikhongchari Upazila, Dist: Bandarban	529
W-B-BAN-Nai-UZR/03D	Improvement of Naikhongchari-Tumbru Road by HBB from (Ch: 16900 to 17640m); under Naikhongchari Upazila, Dist: Bandarban	529
W-B-BAN-Nai-UZR/03E	Construction of 54m Long RCC Girder Bridge on Naikhongchari-Tumbru Road at Ch-12452m; under Naikhongchari Upazila, Dist: Bandarban	529

Qualifications:

i. Financial Performance: Bidder should submit audited balance sheets for the last five (5) years. For JV, the balance sheet for each constituent entity should be submitted.

ii. Average annual construction turnover: Minimum average annual construction turnover for each Package based on total certified payments received for contracts in progress or completed over the last five (5) years are as follows:

Package No.	Amount (million Taka)
W-B-BAN-Nai-UZR/03A	26.00 (Twenty Six Point Zero)
W-B-BAN-Nai-UZR/03A1	29.80 (Twenty Nine Point Eight Zero)
W-B-BAN-Nai-UZR/03B	30.60 (Thirty Point Six Zero)
W-B-BAN-Nai-UZR/03C	43.30 (Forty Three Point Three Zero)
W-B-BAN-Nai-UZR/03D	37.90 (Thirty Seven Point Nine Zero)
W-B-BAN-Nai-UZR/03E	21.10 (Twenty One Point One Zero)

The single entity or all partners combined must meet the requirement. In case of JV, each partner must meet minimum 25% and one (lead) partner minimum 40% of this requirement;

iii. Financial Resources: The minimum amount of Financial Resources for each Package are as follows:-

Package No.	Amount (million Taka)
W-B-BAN-Nai-UZR/03A	6.28 (Six Point Two Eight)
W-B-BAN-Nai-UZR/03A1	7.20 (Seven Point Two Zero)
W-B-BAN-Nai-UZR/03B	7.39 (Seven Point Three Nine)
W-B-BAN-Nai-UZR/03C	10.50 (Ten Point Five Zero)
W-B-BAN-Nai-UZR/03D	9.20 (Nine Point Two Zero)
W-B-BAN-Nai-UZR/03E	5.10 (Five Point One Zero)

In case of JV, all partners combined must meet the requirement, while each partner must meet minimum 25% and one (lead) partner minimum 40% of these requirement; and

iv. Similar Construction Experience: Bidder must possess experience in implementing a minimum of one (1) similar contract during the last five (5) years, the value of which shall be minimum for each Package are as follows:

Package No.	Amount (million Taka)
W-B-BAN-Nai-UZR/03A	20.10 (Twenty Point One Zero)
W-B-BAN-Nai-UZR/03A1	23.00 (Twenty Three Point Zero)
W-B-BAN-Nai-UZR/03B	23.70 (Twenty Three Point Seven Zero)
W-B-BAN-Nai-UZR/03C	33.40 (Thirty Three Point Four Zero)
W-B-BAN-Nai-UZR/03D	29.30 (Twenty Nine Point Three Zero)
W-B-BAN-Nai-UZR/03E	16.40 (Sixteen Point Four Zero)

F. Greater Dhaka Sustainable Urban Transport Project [GDSUTP (BRT, Gazipur-Airport) RHD/ICB/PW-01]

Loan Nos.: 2862/2863/2864-BAN

Contract No. and Title: GDSUTP (BRT, Gazipur-Airport) RHD/ICB/PW-01 Upgrading and widening of pavement with provision of BRT lanes and construction of flyovers and BRT stations including access to stations (Ch 0+000 to 2+600 and 7+100 to 20+200)

Deadline for Submission of Bids: **7 January 2016**, 11.00 am (local time)

Roads and Highways Department (“the Employer”) invites sealed bids from eligible bidders for the construction and completion of “Upgrading and widening of pavement with provision of BRT lanes and construction of flyovers & BRT stations including access to stations (Ch 0+000 to 2+600 and 7+100 to 20+200)” (“the Works”) which includes, but is not limited to the following:

- Road pavement;
- Flyovers;
- Culverts and drainage;
- BRT stations including access to stations;
- Incidental works; and
- Social and environmental safeguards

Time for completion of the works from the commencement date will be 30 months.

Only eligible bidders with the following key qualifications should participate in the bidding:

- Have a minimum average annual construction turnover of \$US70 million calculated as total certified payments received for contracts in progress or completed, within the last five years;
- Must be able to demonstrate access to, or availability of, liquid assets, lines of credit, or other financial resources (other than any contractual advance payments) to meet the Bidder’s financial resources requirement comprising:
 - \$12 million for the subject works
 - Plus current commitments.
- Participation in at least one contract that has been successfully or substantially completed within the last ten years (counting from 28 days prior to the deadline for bid submission) and where the works (road / highway and PC box girder bridge / PC box girder flyover) undertaken by the Bidder are similar to the proposed works and the value of the similar works undertaken by the Bidder in one contract exceed US\$90 million.
OR,
- Participation in at least two contracts that have been successfully or substantially completed within the last ten years (counting from 28 days prior to the deadline for bid submission) where:
 - the works (road / highway) undertaken by the bidder are similar to the proposed works and where the value of the Bidder’s participation exceeds \$60 million, and
 - where the works (PC box girder bridge / PC box girder flyover) undertaken by the bidder are similar to the proposed works and where the value of the bidder’s participation exceeds \$40 million.
- For any contract executed within the last ten years, a minimum construction experience in the following key activities:
 - a) Placement of 35,000 m3 of aggregate base course in a single contract;
 - b) Placement of 40,000 m3 of asphalt concrete pavement in a single contract;
 - c) 50,000 m3 of reinforced concrete (bridge/flyover) in a single contract;
 - d) Concrete box girder bridge of minimum total length of 500 m on pile foundation including one bridge of minimum span length of 30 m in a single contract;

e) Management of traffic on operation road/highway during construction activities of road/highway/flyover for continuous 4 months along a length of road of at least 5 km carrying average daily traffic of at least 10,000.

- Must meet all eligibility and qualification criteria in the bidding documents.

The invitation for bids (IFB) is available in the Roads and Highways Department (RHD), Central Procurement Technical Unit (CPTU) and Asian Development Bank (ADB) websites at www.rhd.gov.bd, www.cptu.gov.bd and www.adb.org respectively and DG Market (www.dgmarket.com).

H. Irrigation Management Improvement Project [CW-03]

Loan No.: 3135-BAN

Contract No. and Title: CW-03/Farmers' distribution System Stage-1: Area 2,000 ha pipeline under Irrigation Management Improvement Project (IMIP)

Deadline for Submission of Bids: **28 December 2015**, 15:00 Hours, Bangladesh Standard Time (BST)

Office of the Project Director, Irrigation Management Improvement Project, Bangladesh Water Development Board (BWDB, "the Employer") invites sealed bids from experienced and eligible bidders, based on post-qualification criteria, for the construction and completion of the Works. The Works Comprises of following: Farmer distribution pipe network, pumps and prepaid meters stage-1: 2,000ha.

Only experienced and eligible bidders with the following key qualifications should participate in this bidding:

- Minimum average annual construction turnover of US\$ 1.90 million calculated as total certified payments received for contracts in progress or completed, within the last three years
- Participation in at least one contract that has been successfully or substantially completed within the last ten (10) years and that is similar to the proposed works, where the value of the Bidder's participation exceeds US\$ 1.54 million.

The contract involves the following major items of works to be executed over a period of 24 months.

Serial No.	Brief Description of works.	Quantity
01	Supplying and laying of uPVC pipes of different diameter	71,451 meter
02	Supplying and laying of pre-cast RCC Pipes including color joints pipe joints of different diameter	3,136 meter
03	Supplying and Installation of uPVC pipe fittings like T-Joints, Bends & End Caps with leak proof O-ring jointing using best quality elastomeric sealing gaskets etc., of different size and wall thickness	2405 nos.
04	Earth work in excavation of foundation trenches in all kinds of soils including levelling, dressing etc.	42636 cum
05	M.S. Work for reinforcement with deformed M.S. bar, $f_y=276$ N/mm ² , (made from billet) in RCC works, including local handling, cutting, forging, bending, cleaning	42607 kg
06	Supply of Pre-paid meter including necessary seal, lock etc. complete as per direction of Engineer in charge.	81 Nos.
07	Supply and installation of SQL enterprise 2008/2012 software, testing etc. complete as per direction of Engineer in charge.	1 Pcs.
08	Supply of IC Card (smart card and which is convertible as parameter card, user card, checking card and data eraser card etc.) with chips including plastic cover as per direction of Engineer in charge.	1620 Nos.
09	Supply and installation of PMS (pre-paid management system)software ; and installation in pre-paid meter , vending machines, master server (including training of personnel at home & abroad 3 person for 7 days in china by foreign expert) Complete with license for 3 years, renewable after 3 years by BWDBs arrangement	1 Pc.

C. Guangdong Chaonan Water Resources Development and Protection Demonstration Project

Loan No.: 3114-PRC

Contract No. and Title: G3: Supply, installation and commissioning of Longxi water plant and water plant maintenance equipment and pipeline leak detecting equipment

Bid No.: 0692-15201BG00020

Deadline for Submission of Bids: **30 December 2015**, 10:00 A.M. (Beijing Time)

The Chaonan Water Supply Company ("the Employer") invites sealed bids from all eligible and qualified bidders for Supply, installation and commissioning of Longxi water plant and water plant maintenance equipment and pipeline leak detecting equipment (G3).

Only eligible Bidders with the following key qualifications should participate in this bidding:

National bidders should possess a minimum enterprise qualification for Grade II Mechanical and Electrical Engineering Construction Overall Contracts or Grade II Municipal Public Construction Overall Contracts and should have valid "Production Safety Permit" issued by Provincial Department of Housing and Urban-Rural Development. Foreign bidders should have equivalent certificates from their own jurisdictions.

From 1 January 2010 to the bid submission deadline, the bidder should have successfully or substantially completed at least two contracts for supply, installation and commissioning of equipment for water supply plant with surface water as water resource. Each contract should be for equipment with capacity of 100 thousand m³/day or above and the contract amount should be not less than RMB 20 million. Completion certificates from owners should be provided. If the completion certificate issued in the name of a joint venture, the Bidder should be the lead partner of that joint venture. Detailed qualification requirements are found in Section III of the Bidding Document.

B. Kathmandu Valley Water Supply Improvement Project - Additional Financing [WTP/02]

Loan No.: 3255-NEP

Contract No. and Title: WTP/02: Capacity Expansion of Water Treatment Plant at Sundarijal
(85 MLD to 170 MLD)

Deadline for Submission of Bids: **22 January 2016**, 12:00 hours (local time)

Melamchi Water Supply Development Board, MWSDB (“the Employer”) invites sealed bids from experienced and eligible bidders, based on post-qualification criteria, for the construction and completion of the Works. The Works comprise the following main activities which includes both civil and electrical/mechanical work to construct:

- A second structure of flocculation basins, sedimentation basins, sludge drain pipe gallery and clear water reservoir;
- An additional six number filtration units, adding to the existing eight number units;
- A third sludge drying bed;
- Piping, conduits, gates and valves, chambers, etc. necessary to connect the new process units to process water piping, chemical solution piping, air scour, plant water, overflows, drains, etc. and to existing systems;
- Cabling, conduits, cable trenches, ducts, manholes, chambers, etc. necessary to connect the new electrical and instrumentation works to existing systems;
- Ancillary works including roads, site grading, landscaping and other site works; and
- testing, commissioning for the works under the Contract;

The main qualification criteria are:

a) Minimum average annual construction turnover of US Dollar Twenty-six million five hundred thousand (US\$26,500,000) calculated as total certified payments received for contracts in progress or completed, within the last Five (5) years.

b) Participation exclusively as prime contractor in at least three water treatment plant projects containing similar elements of civil, mechanical and electrical works within the last ten (10) years, each with a value of at least US \$16 million that have been successfully or are substantially completed. At least two of these projects must be outside of the company's home country. The scope of work of such projects should be for water treatment plants with a minimum capacity of 50,000 m³/d and including, as appropriate, all mechanical and electrical equipment and testing, commissioning and training of personnel for the work. If the applicant has constructed sewage treatment plants and/or industrial water or industrial waste treatment plants all of similar or larger capacity (including all civil works and mechanical and electrical equipment), as a prime contractor, then these projects will be considered equally in addition in the water treatment plant category. However, such treatment works in which the major facilities comprise earthworks such as facultative ponds or aerated lagoons will not be considered as relevant experience.

c) For the above or other contracts executed during the period stipulated in (b) above, a minimum construction experience in the following key activities: - Concrete production 1500 m³/month

PAKISTAN

A. Power Distribution Enhancement Investment Program – Tranche 2 [ADB-LESCO-02(s)-2015 (lots-I, II)]

Loan No.: 2727-PAK

Contract No. and Title: ADB-LESCO-02(s)-2015 (lots-I, II) Procurement of 100kVA & 200kVA Pole Mounted Distribution Transformers

Deadline for Submission of Bids: **21 January 2016**; 10:30 am (local time)

The Lahore Electric Supply Company (LESCO, "the Purchaser"), invites sealed bids from eligible bidders for the procurement of 100kVA & 200kVA Pole Mounted Distribution Transformers in two lots. The bidder shall quote for the entire quantity of a lot.

#	Description	Quantity
Lot-I	11/.415kV, 100kVA Pole Mounted Distribution Transformers	200 Nos.
Lot-II	11/.415kV, 200kVA Pole Mounted Distribution Transformers	1000 Nos.

Bidders shall meet the following qualification requirements:

- a) To be awarded a contract for any number of lots, the bidder must have demonstrated at least three (3) numbers of contracts successfully completed as main supplier within the last five (5) years. The value of each contract shall at least equal to 80% of the value of contract for which the bid is submitted and equipment shall have the same or higher rating and capacity. In case of JV, at least any one of partner should fulfill the said contractual experience pertaining to the individual's obligation (s) in respect of manufacturing as per JV agreement between the parties (JV agreement shall be provided with the bid).
- b) To be awarded a contract for any number of lots, the bidder must have at least five (5) years manufacturing or supplying experience of similar equipment with the same or higher rating and capacity. The equipment manufactured or supplied by the bidder, with the same or higher rating and capacity, must have three (3) years of successful continuous operational experience for at least 80% of the quantities to be procured under this tender, as on bid opening date. In case of JV, at least any one partner should fulfill the above mentioned experience pertaining to the

individual obligation (s) in respect of manufacturing or supplying as per JV agreement between the parties (JV agreement shall be provided with the bid).

- c) The bidder or all partners combined in case of JV has to have an average Annual Turnover in the last 3 years equal to or more than the amount US \$1 million for Lot 1 and/or US \$6 million for Lot 2.
- d) The bidder should have sound financial status. In order to determine the same bidder or each partner in case of JV shall provide its up-to-date financial statements, i.e., audited balance sheet, income statement, and cash flow statements for the last three (3) years. The difference between current assets and current liabilities should be adequate enough for smooth execution of this order (if placed on it). The bidder's or each partner in case of JV net worth calculated as a difference between total assets and liabilities must be positive for last 03 (three) years. In this context the bidder is required to fill in the relevant forms given in Section-IV of the bidding document and submit the same with the bid.

B. Clean Energy and Access Improvement Project [DD2/P&D/ICB/2015/046/C]

Loan Nos.: 2518/2519 SRI

Contract No. and Title: DD2/P&D/ICB/2015/046/C: Supply and Delivery of Material for Rural Electrification Projects Part 3 Lot E

- Sub Lot 1: Medium Voltage Insulators
 - Insulator - Pin 33kV : 70,000 Nos
 - Insulator Suspension Set 37/2.79 (LYNX) 33kV (Without Arcing horn) : 5,200 Nos
 - Insulator Tension Set 33 kV with Hardware (Racoon) (70kN) (Without Arcing horn) : 34,000 Nos
 - Insulator Tension Set with Hardware 37/2.79 (LYNX) 33kV(120kN) (Without Arcing horn) : 4,400 Nos
- Sub Lot 2: Wooden Poles
 - Poles - Wooden 8.3m Imported : 20,000 Nos
- Sub Lot 3: Recloser Auto
 - Reclosers - Auto -11kV 400A with remote control facility : 35 Nos
 - Reclosers - Auto - 33kV 400A with remote control facility: 40 Nos
- Sub Lot 4: Switches
 - Three Phase Outdoor Bypass & Disconnect Switch for Auto Recloser 11 kV, 400 A : 30 Nos
 - Switches - Drop Down Lift Off - (DDLO)33kV : 3,500 Nos
 - Carrier - Spare for DDLO Switches 33kV : 1,750 Nos
- Sub Lot 5: Switches - Load Break, Air insulated
 - Switches - Load Break Air insulated 11 kV Manually Operated 400A : 20 Nos
 - Switches - Load Break Air Insulated 33 kV Manually Operated 400A: 70 Nos

Deadline for Submission of Bids: **27 January 2016**, 10:00 a.m. (local time)

Ceylon Electricity Board (CEB), ("Purchaser") invites sealed bids from eligible bidders for the Supply and Delivery of Material for Implementation of Rural Electrification Projects.

C. Takhiatash Power Plant Efficiency Improvement Project [JSC Takhiatash TPP/ICB-2015-1]

Loan No.: 3141-UZB

Contract No. and Title: JSC Takhiatash TPP/ICB-2015-1 Construction of two combined cycle gas turbine units with the capacity of 230-280 MW at Takhiatash TPP

Deadline for Submission of Bids: **2 March 2016**, 10.30 hours (Tashkent local time GMT +5:00)

JSC "Takhiatash TPP" of Joint Stock Company (JSC) Uzbekenergo (Employer) invites sealed bids from eligible bidders for construction and completion of "two combined cycle gas turbine units with the capacity of 230-280 MW at Takhiatash TPP" (Facilities).

Qualifications:

- i. All pending litigation shall be treated as resolved against the bidder and so shall in total not represent more than 50% percent of the bidder's net worth.
- ii. Bidder must have average annual turnover of US \$200 million calculated as total certified payments received for contracts in progress or completed, within the last three (3) years (calendar year 2012, 2013 and 2014). In case of a JV, one partner must have an average annual turnover of US \$80 million and each partner must have an average annual turnover of US\$50 million, within the last three (3) years and all partners combined are required to meet the aggregate average annual turnover requirement.
- iii. Bidder must demonstrate access to, or availability of, financial resources such as liquid assets, unencumbered real assets, lines of credit, and other financial means, other than any contractual advance payments to meet: (i) the cash flow requirement of US \$48 million, and
- iv. Overall cash flow requirements for this contract and its current works commitment. In case of a JV, one partner with access to, or availability of financial resources of at least US \$19,2 million, each partner is required to meet US \$12 million and all partners combined are required to meet the aggregate cash flow requirement;

- v. Experience under contracts in the role of contractor or management contractor for at least the last five (5) years prior to the bid submission deadline. In case of a JV, each partner must meet the requirement.
- vi. Participation as contractor or management contractor in at least two (2) contracts within the last ten (10) years, each with a value of at least US \$384 million that have been successfully completed and that are similar to the proposed plant and services. These contracts must have been done outside of the bidder's home country. In case of a JV, all partners combined must meet the requirement.
- vii. Bidder must have experience of decommissioning of at least one thermal power plant of a minimum of 25MW within the last five (5) years. In case of a JV, at least one of the partners must meet the requirement.
- viii. Bidder must meet the following key experience requirement: (i) satisfactory service of proposed model gas turbine generators in at least three (3) different projects over a minimum period of five (5) years (ii) successfully completed the construction of at least two (2) combined cycle power plant of a minimum of 300 MW during the last ten (10) years as EPC Main Contractor. In case of a JV, all partners combined must meet the requirement.
- ix. Bidder must have experience as EPC Main Contractor in at least one of the following countries: Afghanistan, Turkmenistan, Kazakhstan, Uzbekistan, Georgia, Armenia, Pakistan, Tajikistan, Kyrgyz, Azerbaijan, Armenia or Turkey. In case of a JV, at least one of the partners must meet the requirement.

Submitting Expressions of Interest

Consultant selection for technical assistance grants are based on the consultant's prior Expression of Interest (EOI). A good EOI should reflect the firm's experience and expertise in relation to the ADB project being pursued. It is important for a U.S. firm to emphasize this, or similar project experience in the country or in a similar geographic area rather than state a general profile of its consulting activities. When submitting an EOI, the project name should exactly match the one listed in this report to avoid confusion. Each project requires a separate EOI.

An EOI should be submitted on-line through the ADB website at https://uxdmz06.adb.org/OA_HTML/adb/adbpos/jsp/ADBCMSLogin.jsp.

Registering Consulting Firms and/or Individual Consultants

The ADB consultants registration system has been revised into a new and integrated system called **Consultant Management System (CMS)** for both consulting firms and individuals.

Records should be updated at least once a year; otherwise, inactive profiles will be de-activated and excluded from consultants' searches.

Visit www.adb.org/Consulting/cms.asp for more information.

U.S. Commercial Service Liaison Office to the Asian Development Bank (CS ADB) and the U.S. Executive Directors to the ADB Office (USED)

U.S. firms are encouraged to keep in contact with the **U.S. Commercial Service Liaison Office to the Asian Development Bank (CS ADB)** especially when they decide to participate in ADB procurement activities. This office works closely with the Office of the U.S. Executive Director to the ADB (USED) to increase American awareness of, and participation in, the ADB's procurement activities.

For CS ADB assistance, please contact: Ms. Margaret Keshishian, Director (E-mail: Margaret.Keshishian@trade.gov)

U.S. firms may also notify their interest to pursue ADB business opportunities by sending a copy of their Expressions of Interest (EOI) to CS ADB to either of the following addresses:

U.S. mailing address:

Attention: CS/ADB
Unit 8600, Box 1565
DPO AP 96515-1565,

or international mailing address:

U.S. Embassy – NOX 2
1201 Roxas Boulevard,
Ermita, Manila 1000
Philippines
Phone: (63-2) 516 5093; Fax: (63-2) 516 6958
E-mail: Office.ManilaADB@trade.gov
