

# Asian Development Bank Liaison Office FOREIGN GOVERNMENT TENDERS

CS ADB  
January 2016

---

## ASIA & PACIFIC: PROCUREMENT NOTICES FOR FOREIGN GOVERNMENT TENDERS

---

This Foreign Government Tenders report from the US Commercial Service Asian Development Bank Liaison Office (CS ADB) augments our series of regular monthly reports that give U.S. exporters advance information on Asian government tenders. This report covers advance and ongoing procurement, as well as recruitment of consultants for projects that are funded by the ADB.

U.S. firms may submit their bids directly to the executing agency listed on the procurement notice. Details of the bidding procedures are stated in the Bidding Documents issued by the executing agency or otherwise stated in the procurement notice.

U.S. firms are encouraged to keep in contact with CS ADB, especially if they decide to participate in ADB procurement activities. This office works closely with the Office of the U.S. Executive Director (US/ED) to the ADB to increase American awareness of and participation in ADB's procurement activities.

Attention: Ms. Margaret Keshishian, Director/Senior Commercial Officer

## I. INSTITUTIONAL PROCUREMENT NOTICES

Institutional Procurement Notices are notices for the Asian Development Bank's internal requirements for various goods and services. For advance notices, visit <http://www.adb.org/site/business-opportunities/institutional-procurement-notices>

### ASIAN DEVELOPMENT BANK

#### Supply, Delivery and Implementation of a Network Access Control (NAC) System

Invitation to Bid

Deadline for submission of bids: **19 February 2016**; 5:00 pm (local time in Manila, Philippines)

ADB invites interested parties to bid for the supply, delivery and implementation of a Network Access Control (NAC) System.

Bidder must:

- (i) Have the nationality of eligible country in accordance with the list of ADB member countries;
- (ii) Have not been declared ineligible by ADB;
- (iii) Be in the I.T. hardware, software, and solution business for at least 10 years;
- (iv) Have a local presence in the Philippines to provide technical support and account management team that can be reached via phone, e-mail and in-person, with expected customer standards in accordance with ADB's Service Level Agreement, and Support and Maintenance requirements;
- (v) Propose a product/solution which must be in existence for at least 3 years, with all software to be delivered as virtual appliances capable of running vSphere5.5. There should be no licensing mechanism that may prevent the real-time transfer of those virtual appliances from one physical host to another (a.k.a. vMotion);
- (vi) For each software release, make available all required support, software, documentation and media for a comprehensive NAC solution;
- (vii) Commit to assign at least two trained and dedicated engineers to be deployed in ADB during the duration of the project implementation;
- (viii) Commit to assign a dedicated Project Management Team to support continuous project management effort and commit at least 1 resource to liaise with ADB teams for the duration of the project implementation; and
- (ix) Commit to provide a dedicated Account Manager as the primary point of contact after the project implementation phase.

Contact: Unit Head, Procurement and Contracts Administration, Office of Administrative Services,  
Tel: 632-4298; Fax: 636-2577 or 631-6899  
E-mail: [sdiano@adb.org](mailto:sdiano@adb.org); [malbano@adb.org](mailto:malbano@adb.org)

## II. ADVANCE PROCUREMENT ACTION

Advance action is an early procurement done by the borrowing government prior to ADB's approval of the related financing agreement.

### INDIA

#### A. Rajasthan State Highway Improvement Program

Executing Agency: Government of Rajasthan through the Public Works Department (PWD)  
Contact: Mr. Shiv Lahari Sharma, Additional Chief Engineer, PPP Division  
Address: Public Works Department, Jacob Road, Civil Lines, Jaipur, 302006  
Phone No: +91 141 511 0547; E-mail: aceppp.pwd@rajasthan.gov.in

Brief Project Description: The Government of India intends to apply for a loan from the Asian Development Bank (ADB) for the Rajasthan State Highway Improvement Program (RSHIP).

The Project will improve the efficiency and safety of road transport of Rajasthan by upgrading about 2,000 kilometers (km) of state highways and major district roads (MDR) and improving the capacity of PWD. The Investment Program is part of the Rajasthan State Highway Development Program (RSHDP), which aims to improve about 20,000 km of state highways and MDRs to 2-lane or intermediate lane standard in two phases.

The Project has two outputs: (i) improved state highway and major district roads, and (ii) enhanced capacity of Rajasthan PWD.

The executing agency for the project will be the government of Rajasthan acting through the PWD. The PPP Division of PWD, headed by the Additional Chief Engineer (PPP), will establish project implementation units (PIU) for contract packages of project roads in the same area. RSHIP will implement the project in accordance with the Project Agreement that will be entered into.

Brief Description of Goods and Related Services, Works or Consulting Services to be procured: All procurement of goods and works will be undertaken in accordance with ADB's Procurement Guidelines (April 2015, as amended from time to time). All consultants will be recruited according to ADB's Guidelines on the Use of Consultants (March 2013, as amended from time to time). Advance contracting and retroactive financing will be considered and used to expedite the project implementation.

The proceeds of the loan are intended to be used for the procurement of the following through international competitive bidding procedure:

- (i) Works contracts: Widening, improvement, and/or rehabilitation of State Roads in the state of Rajasthan. The contracts will include suitable PPP structures for civil works of construction with operations and maintenance obligations,
- (ii) Consulting services from firms and individual consultants to assist the project implementation unit in project management, contract administration, and capacity development programs.

It is expected that the recruitment process for project management consultants will commence in Q1 2016. It is expected that bidding for the first works contract will commence in Q1 2016.

## **B. Solar Park Development and Transmission Investment Project**

Executing Agency: Power Grid Corporation of India Limited (POWERGRID)  
Contact Person: Mr. S. K. Bhowal, Dy. General Manager (CS-G10)  
Address: 'SAUDAMINI', Plot No. 2, Section-29, Gurgaon-122 001 (Haryana)  
Tel.: +91(0124) 2571 700-19, 2822376, 2823316; Fax: +91(0124) 2571 831  
E-mail: [skbhowal@powergridindia.com](mailto:skbhowal@powergridindia.com)

Brief Project Description: The Solar Park Development and Transmission Sector Project will partially fund development of multiple solar parks, consisting of: (a) inside-the-park common infrastructure such as transmission lines to connect individual projects to a common pooling point, land leveling, water provision, and fencing; and (b) transmission evacuation from the solar parks to the national grid, to be completed by POWERGRID. The proposed transmission projects supported under this Project are Bhadla III and Jaisalmer Phase I & II in Rajasthan and Jalum in Uttar Pradesh.

Brief Description of Goods and Related Services, Works or Consulting Services to be procured: ADB has approved the Government's request for advance contracting to expedite project implementation. Advance contracting will include: transmission lines, substations, and related transmission system related equipment. The advance contracting will be undertaken following ADB Procurement Guidelines.

## **C. Madhya Pradesh District Roads II Sector Project**

Executing Agency: Government of Madhya Pradesh, through the Madhya Pradesh Public Works Department (MPPWD)  
Implementing Agency: Madhya Pradesh Road Development Corporation Limited (MPRDC)  
Contact: Mr. Narendra Kumar, Chief Engineer  
Madhya Pradesh Road Development Corporation Ltd., 45-A, Arera Hills, Bhopal (M.P) - 462 011  
Tel.: +91 755 2527 204; Fax: +91 755 2572643; E-mail: [prcmprdc@mp.nic.in](mailto:prcmprdc@mp.nic.in)

Mr. Rajendra Khade, Dy. General Manager  
Madhya Pradesh Road Development Corporation Ltd.,  
45-A, Arera Hills, Bhopal (M.P) - 462 011  
Tel.: +91 755 2527 210; Fax: +91 755 2572643; E-mail: [prcmprdc@mp.nic.in](mailto:prcmprdc@mp.nic.in)

Brief Project Description: The Government of India intends to apply for a loan from the Asian Development Bank (ADB) for the Madhya Pradesh District Roads II Sector Project ("The Project"). The Project is designed to improve transport connectivity in the state of Madhya Pradesh by rehabilitating and upgrading major district roads (MDRs). The Project constitutes: (i) rehabilitating and upgrading about 1500 km of MDRs; (ii) improving the accident response system (ARS) and integrating it with the larger system of department of Public Health & Family Welfare, GoMP; and (iii) integrating ARS with accident victim treatment facility of department of Public Health and Family Welfare, GoMP.

MDRs will be rehabilitated and upgraded mainly to intermediate or 2-lane standard widths, with paved or unpaved shoulders as required, to all-weather standards, together with safety features. Substantial portions of the roads are expected to be with rigid pavements, and performance based maintenance obligations for a period of at least five years will be included in the construction contracts. Consulting services will be provided to supervise the implementation of civil works.

Brief Description of Goods and Related Services, Works or Consulting Services to be procured: All procurement of goods and works will be undertaken in accordance with ADB's Procurement Guidelines

(April 2015, as amended from time to time). All consultants will be recruited according to ADB's Guidelines on the Use of Consultants (March 2013, as amended from time to time).

The proceeds of the loan are intended to be used for the procurement of the following through competitive bidding procedure:

(i) Works contracts: Widening, improvement, and rehabilitation of MDRs in the state of Madhya Pradesh. The contracts will include construction with operations and maintenance Obligations

(ii) Consulting services for:

a. Construction supervision consultants

b. Activities related to integration of accident response system with the larger system of department of Public Health & Family Welfare, GoMP

c. Integrating ARS with cashless accident victim treatment facility of department of Public Health and Family Welfare, GoMP. It is expected that the recruitment process for construction supervision consultants will commence in Q1-2016. It is expected that bidding for the first works contract will commence in Q1-2016.

#### **D. Visakhapatnam-Chennai Industrial Corridor Development Program (VCICDP)**

Executing Agency: The State of Andhra Pradesh acting through its Department of Industries

Contact Person: Mr. Shamsher Singh Rawat

Address: North H Block, 3<sup>rd</sup> Floor, AP Secretariat, Hyderabad, 500022, Andhra Pradesh, India

Tel.: +91-40-23450456; E-mail: secy\_inde@ap.gov.in

Brief Project Description of the Project: The proposed Visakhapatnam-Chennai Industrial Corridor Development Program (VCICDP) comprises: (i) a policy-based loan to support policy reforms, and institutional development in the state's industrial sector; and (ii) a multitranche financing facility (MFF) for priority infrastructure projects within the Visakhapatnam-Chennai Industrial Corridor (VCIC).

The expected impact of the VCICDP will be an increased contribution of the manufacturing sector to the state's gross domestic product, trade, and employment, aligned with National Manufacturing Policy, 2011 and Government of India Trade Policy, 2015-2020. The expected outcome of the VCICDP will be enhanced growth and competitiveness of the VCIC.

The outputs of the VCICDP will be (i) ease of doing business improved; (ii) VCIC infrastructure strengthened; (iii) institutional capacities and program management strengthened.

Brief Description of Goods and Related Services, Works or Consulting Services to be procured: ADB approved the Government's request for advance contracting for the MFF component to expedite project implementation. Advance contracting under Tranche 1 of the MFF will include:

- Recruitment of project management and construction supervision consultants (PMSC), including policy reforms and capacity building, and community awareness and participation program;
- Recruitment of detailed project report consultants; road safety awareness consultants; external monitoring agency for implementing resettlement and rehabilitation; and resettlement plan implementation support agency; and
- Procurement of six civil works packages for construction of common effluent treatment plant; augmenting utility services; distribution network improvements; road upgrading and rehabilitation; and augmenting power distribution capacity

### III. PROCUREMENT NOTICES

Specific procurement notices are notification of imminent bidding opportunities generated from ADB-funded projects and programs. The actual procurement notice as posted by ADB may be accessed by clicking on the project or program title. ## CAMBODIA

### **Uplands Irrigation and Water Resources Management Sector Project [PMU-HME-01]**

Loan No.: 3289-CAM

Contract No. and Title: PMU-HME-01- Supply, installation and commissioning of Hydromet Stations and Automatic Weather Stations (AWS), equipment for discharge measurement

Deadline for Submission of Bids: Extended to **15 February 2016**, 9:30 A.M. (local time)

The Ministry of Water Resource and Meteorology invites sealed bids from eligible and qualified bidders for the supply, installation and commissioning of Hydromet Stations and Automatic Weather Stations (AWS) Equipment for discharge measurement including on-site training.

The required goods shall be delivered within 30 days (earliest)/ or 60 days (latest) following the date of effectiveness of the contract to the addresses stated in Section 6 - Schedule of Requirements within Cambodia of the Bidding Document.

Qualification requirements include:

- Bidder's average annual turnover defined as the total payments received by the bidder for contracts completed or under execution over the last three years should be equal or more than US \$1.20 million.
- The bidder as main supplier (having the largest contract amount for supplying goods) should have successfully completed minimum two contracts or subcontracts similar to those included in the contract covering Supply, Installation and Commissioning, each of at least US \$480,000.00 in last five years ending on deadline for bid submission. The evidence of such qualification is required to be submitted with the bid.
- Bidder must demonstrate availability of or access to, financial resources in form of working capital such as liquid assets, lines of credit from a reputed Bank, and other financial means, other than any contractual advance payments taking into account the bidder's commitments for other contracts to meet the cash-flow requirement of US \$300,000.

## CHINA

### A. Railway Energy Efficiency and Safety Enhancement Investment Program -Tranche V [Bid No.: 0702-1520CITC1011- Overhead Catenary System Equipment]

Loan No.: 3109-PRC

Contract No. and Title: Bid No.: 0702-1520CITC1011- Overhead Catenary System Equipment

Deadline for Submission of Bids: **1 March 2016**; 9:30 A.M (Beijing Time)

CMC International Tendering Corporation (CITC) (hereinafter referred to as "Procurement Agent", authorized and on behalf of China Railway Corporation (Purchaser), invites sealed bids from eligible bidders for the following supply of Goods and related services:

	Name of Goods	Specification	Unit	Quantity
Lot101	Steel Pole, Portal Beam and Drop Post (incl. Post inside tunnel)	Steel Pole	Piece	6,797
		Portal Beam	Piece	392
		Drop Post (incl. Post inside tunnel)	Piece	8,281
		Portal beam drop post	Piece	525
Lot102	Concrete Pole		piece	2,986
Lot103	Contact Cable		Ton	1,229.33
Lot104	Catenary Cable		Ton	936.22
Lot105	Additional Cable	High Voltage Cable	Km	104.46
		Aluminum-conductor Steel-reinforced Cable	Ton	601.32
Lot106	Components for Contact System	Assembly of OCS (excluding cantilever swivel bracket, insulator )	Set	18,073
		Mid-point Anchor Devices	Set	338
		Cantilever Swivel Bracket	Set	18,091
		Crossing Clamp	Set	164
		Dropper Clip	Set	116,698
		Electrical Connecting Clamp	Set	24,824
Lot107	Porcelain Insulator		Piece	53,258
			Piece	23,758
Lot108	Compound Insulator		Piece	23,758

#### Key qualifications:

- Contractual Experience: Bidder must have completed successfully at least one contract as main supplier within the last 5 years (2010-2014), that is of the same or higher technical specifications (with the key areas/criteria as Table 2.3-1 in Bidding Document) as the proposed goods under the corresponding lot. The contracts' value must be not less than the following amount:
  - Lot 101: US \$8.5 million equivalent;
  - Lot 102: US \$1.5 million equivalent;
  - Lot 103: US \$9 million equivalent;
  - Lot 104: US \$6.5 million equivalent;
  - Lot 105: US \$4 million equivalent;
  - Lot 106: US \$9 million equivalents;
  - Lot 107: US \$0.95 million equivalent;
  - Lot 108: US \$1.7 million equivalent.

**C. Assam Urban Infrastructure Investment Program - Project 1 [Construction of Water Supply Transmission Main Pipelines and Allied Works in Guwahati AUIIP/PR-1 /G UW/WS/01]**

Loan No.: L2806-IND

Contract No. and Title: Construction of Water Supply Transmission Main Pipelines and Allied Works in Guwahati AUIIP/PR-1 /G UW/WS/01

Deadline for Submission of Bids: **8 February 2016** at 14:00 h (Indian Standard Time)

The Guwahati Development Department, Government of Assam (Employer) represented by Project Director, Assam Urban Infrastructure Investment Program invites sealed bids from eligible bidders for the construction of Water Supply Transmission Main Pipelines and Allied Works in Guwahati. The main works will comprise construction and Commissioning of 23.54 Km MS and DI Clear Water Pumping Main & Gravity Transmission Main in South East Guwahati including Allied Civil Works, Installations of Flow Control Valves, Pressure Control Devices, Etc., Particular details of works are:

- Supplying, Laying, Hydro- testing and Commissioning of 1135m, 1300mm MS Clear Water Pumping main
- Supplying, Laying, Hydro- testing and Commissioning of 17513m, 1300mm to 700mm MS Gravity Transmission Main
- Supplying, Laying, Hydro- testing and Commissioning of 4892m, 500mm DI Transmission Main to the Service Storage Reservoirs
- Constructions of Allied Civil works Viz, Valve Chambers, Thrust Blocks, Anchor Blocks, Saddle supports Etc.,
- Providing and Installations and Commissioning of Flow Control, Pressure Control Valves
- Providing and Installation and Testing and Commissioning of Bulk flow meters and other allied works all complete.

The estimated construction period for whole of the works is 730 days.

## KYRGYZ

### A. Second Vocational Education and Skills Development Project [VESDPII/G/ICB/01/P2]

Loan No.: 2902-KGZ

Contract No. and Title: VESDPII/G/ICB/01/P2: Supply of training equipment for vocational schools of the Kyrgyz Republic

Deadline for Submission of Bids: **26 February 2016**, 14:00 hours (local time)

The Agency for Vocational Education under Ministry of Labor, Migration and Youth of the Kyrgyz Republic ("Purchaser") invites sealed bids from eligible bidders for procurement of training equipment for vocational schools of the Kyrgyz Republic. The bidding covers four (4) lots and bidders may bid for one or several lots, as further defined in the bidding document. Bidders may offer discounts and these discounts will be considered in the evaluation process provided such discounts are mentioned in the Letter of Bid and announced at bid opening.

- Lot 1. Arc and gas welding equipment
- Lot 2. Joinery-carpentry equipment
- Lot 3. Tractor with attachments
- Lot 4. Auto maintenance equipment

Goods supplying shall be completed within 14 weeks after contract signing. The technical requirements of the supply are contained in Section VI: Schedule of Supply.

Only eligible bidders with the following key qualifications should meet the following requirements:

(i) Minimum average annual turnover over the last 3 years shall be at least:

- For Lot 1 – 690 000 USD (or equivalent in KGS)
- For Lot 2 – 143 000 USD (or equivalent in KGS)
- For Lot 3 – 600 000 USD (or equivalent in KGS)
- For Lot 4 – 453 000 USD (or equivalent in KGS)

### **E. Kathmandu Valley Water Supply Improvement Project - Additional Financing [WTP/02: Capacity Expansion of Water Treatment Plant at Sundarijal (85 MLD to 170 MLD)]**

Loan No.: 3255-NEP

Contract No. and Title: WTP/02: Capacity Expansion of Water Treatment Plant at Sundarijal (85 MLD to 170 MLD)

Deadline for Submission of Bids: Extended to **8 February 2016**, 12:00 hours (local time)

Melamchi Water Supply Development Board, MWSDB ("Employer") invites sealed bids from experienced and eligible bidders, based on post-qualification criteria, for the construction and completion of the Works. The Works comprise the following main activities which includes both civil and electrical/mechanical work to construct:

- A second structure of flocculation basins, sedimentation basins, sludge drain pipe gallery and clear water reservoir;
- An additional six number filtration units, adding to the existing eight number units;
- A third sludge drying bed;
- Piping, conduits, gates and valves, chambers, etc. necessary to connect the new process units to process water piping, chemical solution piping, air scour, plant water, overflows, drains, etc. and to existing systems;
- Cabling, conduits, cable trenches, ducts, manholes, chambers, etc. necessary to connect the new electrical and instrumentation works to existing systems;
- Ancillary works including roads, site grading, landscaping and other site works; and
- testing, commissioning for the works under the Contract;

The main qualification criteria are:

a) Minimum average annual construction turnover of US \$26,500,000 calculated as total certified payments received for contracts in progress or completed, within the last five years.

b) Participation in at least two water treatment plant projects containing similar elements of civil, mechanical and electrical works within the last ten (10) years, each with a value of at least US \$16 million that have been successfully or are substantially completed. The scope of work of such projects should be for water treatment plants with a minimum capacity of 50,000 m<sup>3</sup>/d and including, as appropriate, all mechanical and electrical equipment and testing, commissioning and training of personnel for the work. If the applicant has constructed sewage treatment plants and/or industrial water or industrial waste treatment plants all of similar or larger capacity (including all civil works and mechanical and electrical equipment), as a prime contractor, then these projects will be considered equally in addition in the water treatment plant category. However, such treatment works in which the major facilities comprise earthworks such as facultative ponds or aerated lagoons will not be considered as relevant experience.

c) For the above or other contracts executed during the period stipulated in (b) above, a minimum construction experience in the following key activities: - Concrete production 1500 m<sup>3</sup>/month

## PAKISTAN

### A. Power Distribution Enhancement Investment Program, Tranche-II [ADB-2727-GEPCO-07(S)-2016 (ICB)]

Loan No.: 2727-PAK

Contract No. and Title: ADB-2727-GEPCO-07(S)-2016 (ICB) Procurement of 200kVA Pole Mounted Distribution Transformers

Deadline for Submission of Bids: **3 March 2016**, 11:00 AM (local time)

The Gujranwala Electric Power Company (GEPCO, "Purchaser"), invites sealed bids from eligible bidders for the procurement of 200kVA Pole Mounted Distribution Transformers in One lot. The bidder shall quote for the entire quantity of a lot.

Sr. No.	Description	Quantity
Lot-I	11/.415kV, 200kVA Pole Mounted Distribution Transformers	800 Nos.

Bidders shall meet the following qualification requirements:

- a) The bidder must have demonstrated at least three (3) numbers of contracts successfully completed as main supplier within the last five (5) years. The value of each contract shall at least equal to 80% of the value of contract for which the bid is submitted and equipment shall have the same or higher rating and capacity. In case of JV, at least any one of partner should fulfill the said contractual experience pertaining to the individual's obligation(s) in respect of manufacturing as per JV agreement between the parties (JV agreement shall be provided with the bid).
- b) The bidder must have at least five (5) years manufacturing or supplying experience of similar equipment with the same or higher rating and capacity. The equipment manufactured or supplied by the bidder, with the same or higher rating and capacity, must have three (3) years of successful continuous operational experience for at least 80% of the quantities to be procured under this tender, as on bid opening date. In case of JV, at least any one partner should fulfill the above mentioned experience pertaining to the individual obligation(s) in respect of manufacturing or supplying as per JV agreement between the parties (JV agreement shall be provided with the bid).
- c) The bidder or all partners combined in case of JV has to have an average Annual Turnover in the last 3 years equal to or more than the amount US \$4.5 million.
- d) The bidder should have sound financial status. In order to determine the same the bidder or each partner in case of JV shall provide its up-to-date financial statements, i.e., audited balance sheet, income statement, and cash flow statements for the last three years. The difference between current assets and current liabilities should be adequate enough for smooth execution of this order (if placed on it). The bidder's or each partner in case of JV net worth calculated as a difference between total assets and liabilities must be positive for last three years. In this context the bidder is required to fill in the relevant forms given in Section-IV of the bidding document and submit the same with the bid.

#### **D. Power Distribution Enhancement Investment Program - Tranche 4 [ADB-TRANCHE-IV-FESCO-06-2015]**

Loan No.: 3096-PAK

Contract No. and Title: ADB-TRANCHE-IV-FESCO-06-2015 Procurement of Plant, Design, Supply, Installation and Commissioning for Conversion of one (01) No. 66 kV Air Insulated Switchgear Ahmedpur Sial Grid Station to 132kV Air Insulated Switchgear (AIS) at Ahmedpur Sial District Jhang, Pakistan along with 132 KV, 30-K.M SDT Transmission line from G.M.Raja to Ahmedpur Sial.

Deadline for Submission of Bids: **2 March 2016**, 11:00 a.m. (local time)

The Faisalabad Electric Supply Company Limited ("Employer") invites sealed bids from eligible bidders for the construction and completion of the following ("Facilities"): Procurement of Plant, Design, Supply, Installation and Commissioning for Conversion of one (01) No. 66 kV Air Insulated Switchgear Ahmedpur Sial Grid Station to 132kV Air Insulated Switchgear (AIS) at Ahmedpur Sial District Jhang, Pakistan along with 132 KV, 30-K.M SDT Transmission line from G.M.Raja to Ahmedpur Sial.

##### (a) 1. Experience Requirements on Sub-station

- Participation as contractor, management contractor, or subcontractor, in at least one contract completed within the last five years, with a value of at least each US \$2.0 Million or PKR equivalent 200.00 million that has been successfully or is substantially (80%) completed and that is similar or of higher capacity to the proposed plant and services.
- At least one contract shall be in successful operation for minimum two years as on the date of bid submission.
- All of the above experiences shall be supported by user's certificates duly notarized in their letterhead indicating their address, email, telephone & fax number and detail of project (i.e., name, address & nationality of customer details of contract; voltage & equipment; completion period, commissioning date/commercial operation date, contract value).

## 2. Experience Requirements on Transmission Line

- Participation as contractor, management contractor, or subcontractor, in at least one contract completed within the last five years with a value of at least each US \$1.0 Million or PKR equivalent 100 Million OR of at least 30 Km that has been successfully or is substantially (80%) completed and that is similar or of higher capacity to the proposed plant and services..
- At least one Contract shall be in successful operation for minimum two years as on the date of bid submission.
- All of the above experiences shall be supported by user's certificates duly notarized in their letterhead indicating their address, email, telephone & fax number and detail of project (i.e. name ,address & nationality of customer details of contract; voltage & equipment; completion period, commissioning date/commercial operation date, contract value).

3. Civil Works Design for sub-station: The contractor or Sub contractor/ Designer should have an experience of Structural and detail Design of at least 01 No. (AIS) Grid Station (electrical works) and civil/structural works (buildings, foundations etc.) of similar nature and other relevant civil works, for installation of 132 kV or higher voltage AIS plant with major equipment like circuit breakers, instrument transformers, Disconnectors, Power Transformers etc. nature and such projects should have been completed successfully.

4. Civil Works Design for Transmission Line: The contractor or Sub contractor/ Designer should have an experience of Design of at least 01 No. Contract of tower foundations of at least thirty Km transmission line (cable not considered) OR 100 KM cumulative length should have been completed in last five years of similar nature i.e. 132 kV or higher voltage and such projects should have been completed successfully.

(b) The bidder should have sound financial status. The difference between cash in hand and short term liabilities should be positive. Minimum average annual turnover of US\$ 8.0 million calculated as total certified payments received for contracts in progress or completed, within the last five years.

## PALAU

### **Koror-Airai Sanitation Project [IFB No.: KASP-Works-ICB-01/PPUC 2016 Sewer Network Rehabilitation and Expansion Works at Malakal and Meyuns area]**

Loan No.: L3060 (SF) / 3061 -PAL

Contract No. and Title: IFB No.: KASP-Works-ICB-01/PPUC 2016 Sewer Network Rehabilitation and Expansion Works at Malakal and Meyuns area

Deadline for Submission of Bids: **17 February 2016**, 13:00 hrs

The Palau Public Utilities Corporation ("Employer") invites sealed bids from eligible bidders for the construction and completion of the Sewer Network Rehabilitation and Expansion Works at Malakal and Meyuns area. The works typically comprise, among others, the rehabilitation and expansion of sewer network within the area, excavation and laying of 490mm (19 inch) dia. PN10 HDPE new sewer force main with a length of approximately 2,250 meters, also 276mm (11 inch) dia. PN10 HDPE force main of 650 meters length and 300mm to 200mm NB UPVC gravity sewers with a length of 900 meters including backfilling, site restoration and traffic control; plus rehabilitation of one (1) major pumping station and construction of 1 new major pumping station and 2 new minor pumping stations,. The works may also

involve sheet piling & ground water control, steel works and covers, pumps and pipework, electrical control rooms, electrical control panels and power supply, overflow storage facility, and site works including asphalt and concrete road reinstatement, fencing and restoration. (“Works”).

Only eligible bidders with the following key qualifications should participate in this bidding. Fail-Pass qualification criteria will be used to check responsiveness of bids.

- Constructed at least two similar projects within the last five years with a minimum value of US \$5,000,000 and a minimum construction experience in the following key activities during the last five years.
  - a. Sewer construction and rehabilitation of main sewer lines of at least 3,500 meters.
  - b. Construction and rehabilitation of Major and Minor Pump Stations.
  - c. Mechanical and Electrical supply, installation, and commissioning of Pump Stations, submersible pumps and controls.
  - d. All other experience requirements stated in the bidding documents.
- Financial Requirements:
  - a. Average Annual Construction Turnover of at least \$13,000,000.00
  - b. Financial Resources of at least \$1,100,000.00

## SAMOA

### Renewable Energy Development and Power Sector Rehabilitation Project [SAM EPC REP – 007 “Fulusou Small Hydro Project”]

Loan No.: Grant 0370/0371/0373/0456/0457-SAM  
Contract No. and Title: SAM EPC REP – 007 “Fulusou Small Hydro Project”  
Deadline for Submission of Bids: **22 February 2016**; 10:00 A.M. Samoa Time

Samoa Electric Power Corporation (EPC, “Employer”) invites sealed bids from qualified eligible bidders for the design, construction, installation, completion and commissioning of the Fulusou Small Hydro Facility (“Facility”). The scope will comprise mainly of the provision and construction of the dam strengthening, inflatable gate, intakes pipeline/penstock, powerhouse and hydro-electric generating plant and appurtenant equipment. The Facilities are located on the island of Upolu, Samoa.

The main qualification criteria are:

- Minimum average annual turnover in last 3 years of US \$5 million
- Cash-flow requirement, US \$1 million, and the overall cash flow requirements for this contract and its current works commitment
- Experience under contracts in the role of contractor, subcontractor, or management contractor for at least the last five (10) years prior to the bid submission deadline
- Participation as contractor, management contractor, or subcontractor, in at least three (3) contracts within the last ten (5) years, each with a value of at least US \$5 million that have been successfully or are substantially completed and that are similar to the proposed plant and services. The similarity shall be based on the physical size, complexity, methods, technology or other characteristics as described in Section 6 (Employer’s Requirements).
- Successful completion of design and analysis of at least 1 (one) concrete weir structure, screen and intake similar in size to that proposed.

- Successful completion of design and analysis of at least 1 (one) penstock installation project similar in size to that proposed.
- Successful completion of the design, manufacture, supply and installation of turbines and generators for a project similar in size of that proposed.
- Successful completion of the design, manufacture, supply and installation, testing and commissioning of Control/ Protection system for a project similar in size to that proposed.
- Other requirements for construction experience in key activities are contained in Section 3 of the Bidding Documents.

### **3025 /3026(SF)-UZB Amu Bukhara Irrigation System Rehabilitation Project [ABISRP 01, Amu Bukhara 1 NEW Pump Station]**

Loan No.: 3025 /3026(SF)-UZB

Contract No. and Title: ABISRP 01, Amu Bukhara 1 NEW Pump Station

Deadline for Submission of Bids: **24 February 2016**, 17.00 a.m. (Tashkent time)

The Ministry of Agriculture and Water Resources of the Republic of Uzbekistan ("Employer") invites sealed bids from the eligible bidders for the construction and completion of the following works ("Works"). The Contract involves the following major items of works to be serviced and works to be executed over a period of 48 months:

- Construction of 420 m long concrete lined intake canal with the design capacity of 91,5 m<sup>3</sup>/s capacity taking water from existing ABMK canal;
- Construction of forebay having length of 39 m to reduce siltation;
- Construction of intake structure with 8 ducts;
- Pump station in-situ reinforced concrete having dimensions of approximate 29 m x 16.70 m x 74.00 m (width, height, length);
- Eight vertical shaft, single suction volute casing pumps having total capacity of 80 m<sup>3</sup>/s with approximate 48 m pump head;
- 6 kV power supply system;
- Construction of energy power line having 6 kV a length of about 1 900 m to supply energy to the pump station.
- All necessary MV and LV systems.
- Discharge pipelines for 8 pump units Ø 2200 each 450 m long and two discharge pipelines Ø 4100 each 620 m long;
- Outlet structure in-situ reinforced concrete having dimensions of approximate 16.50 m x 11.00 m x 66.00 m (width, height, length);
- All necessary drainage technical water and all other necessary subsystems.
- Discharge canal having 500 m length and cross section bottom width w=8.00 m, side slope m=2.0 and depth h=6.05 m with a bridge on it;
- Construction of an automobile bridge and
- Earthworks for construction of intake pump station and discharge canals about 500 000 m<sup>3</sup> earth works.

Loan No.: L2643- VIE

Contract No. and Title: Package EQ 31: Practice Models for Patient Care for Health Professional Training Facilities

Deadline for Submission of Applications: **10 March 2016**; 10:00 A.M. (local time)

The Project Management Unit of Health Human Resources Sector Development Program, Ministry of Health invites sealed bids from eligible bidders for supplying goods and related services under package EQ 31: Practice Models for Patient Care for Health Professional Training Facilities including items as follows:

<b>Item No.</b>	<b>Name of Goods or Related Services</b>	<b>Quantity</b>	<b>Unit of Measurement</b>
1.	Child Airway Management Trainer (5 years old)	4	Piece
2.	Newborn Airway Trainer	4	Piece
3.	Pediatric CPR Manikin	4	Piece
4.	Adult CPR Manikin	4	Piece
5.	Pediatric Cricothyrotomy Simulator	4	Piece
6.	Cricothyrotomy Simulator	4	Piece
7.	Heart Catheterization Trainer	4	Piece
8.	Diagnostic Peritoneal Lavage Trainer	4	Piece
9.	Pneumothorax Trainer	4	Piece
10.	Trauma Training Manikin	4	Piece
11.	Patient care simulator	4	Piece
12.	Advanced full body birthing simulator	4	Piece
13.	Pediatric CPR training manikin	1	Piece
14.	Adult CPR training manikin	1	Piece
15.	Adult nursing simulator	1	Piece
16.	Pediatric nursing simulator	1	Piece

17.	Children patient examination model	1	Piece
18.	Adult heart and lung sounds simulator	1	Piece
19.	Breast Examination Simulator	1	Piece
20.	Heart and Lung sounds - 5 year old Simulator	1	Piece
21.	Pathological simulator	1	Set
22.	Trauma modules attached to the pathological simulator	2	Set
23.	Software to connect cameras to pathological simulator	1	System
24.	Advanced full body birthing simulator	1	Set

Note: Bidders are only allowed to bid on the whole package.

Only eligible bidders with the following key qualifications should participate in this bidding:

### Submitting Expressions of Interest

Consultant selection for technical assistance grants are based on the consultant's prior Expression of Interest (EOI). A good EOI should reflect the firm's experience and expertise in relation to the ADB project being pursued. It is important for a U.S. firm to emphasize this, or similar project experience in the country or in a similar geographic area rather than state a general profile of its consulting activities. When submitting an EOI, the project name should exactly match the one listed in this report to avoid confusion. Each project requires a separate EOI.

An EOI should be submitted on-line through the ADB website at [https://uxdmz06.adb.org/OA\\_HTML/adb/adbpos/jsp/ADBCMSLogin.jsp](https://uxdmz06.adb.org/OA_HTML/adb/adbpos/jsp/ADBCMSLogin.jsp).

### Registering Consulting Firms and/or Individual Consultants

The ADB consultants registration system has been revised into a new and integrated system called **Consultant Management System (CMS)** for both consulting firms and individuals.

Records should be updated at least once a year; otherwise, inactive profiles will be de-activated and excluded from consultants' searches.

Visit [www.adb.org/Consulting/cms.asp](http://www.adb.org/Consulting/cms.asp) for more information.

### U.S. Commercial Service Liaison Office to the Asian Development Bank (CS ADB) and the U.S. Executive Directors to the ADB Office (USED)

U.S. firms are encouraged to keep in contact with the **U.S. Commercial Service Liaison Office to the Asian Development Bank (CS ADB)** especially when they decide to participate in ADB procurement activities. This office works closely with the Office of the U.S. Executive Director to the ADB (USED) to increase American awareness of, and participation in, the ADB's procurement activities.

For CS ADB assistance, please contact: Ms. Margaret Keshishian, Director (E-mail: [Margaret.Keshishian@trade.gov](mailto:Margaret.Keshishian@trade.gov))

U.S. firms may also notify their interest to pursue ADB business opportunities by sending a copy of their Expressions of Interest (EOI) to CS ADB to either of the following addresses:

U.S. mailing address:

Attention: CS/ADB  
Unit 8600, Box 1565  
DPO AP 96515-1565,

or international mailing address:

U.S. Embassy – NOX 2  
1201 Roxas Boulevard,  
Ermita, Manila 1000  
Philippines  
Phone: (63-2) 516 5093; Fax: (63-2) 516 6958  
E-mail: [Office.ManilaADB@trade.gov](mailto:Office.ManilaADB@trade.gov)
