

# APEC OPPORTUNITY SERIES China

## Connecting Local Companies with APEC Market Opportunities

**Don't miss this opportunity!** Learn about the exciting prospects for Hawaii companies in each of the APEC markets directly from experts at the U.S. Embassies in each market and experienced local businesses on where the best opportunities exist, how to do business effectively, avoid common pitfalls, and connect with the best partners and buyers in key markets throughout the Asia Pacific.

**China** – As a nation with a GDP growth rate of 9.8%, a surging middle class, and preferences for quality U.S. goods, it is a great opportunity to begin investing in this exciting market. Get the latest on U.S.-China trade agreements, and major market trends in the country. [What is YOUR China strategy?](#)

Join us for the second session of the **APEC 2011 Opportunity Series** featuring the China market. By connecting local businesses with real international opportunities, this seminar series will provide resources and contacts to those interested in pursuing business opportunities in the APEC markets.
