

IE expo 2016

International Environmental Technology

May 5-7, 2016

Shanghai, China

Greetings from Shanghai, China!

The U.S. Commercial Service in Shanghai is pleased to invite American firms to exhibit in the U.S. Pavilion at the **IE expo 2016**. This is an outstanding opportunity to promote your company's environmental related products, technologies and solutions, in order to develop your business in Asia's largest Market.

IE expo 2016 is an international trade fair for water, sewage, refuse, recycling, air pollution control, soil remediation, and energy conservation. **IE expo 2016**, the largest show of its kind in the environmental sector in Asia, showcases the complete value chain of environmental technologies and can benefit U.S. exporters at a global level.

IE expo 2016 also offers a high quality conference program, workshops and B2B-matchmaking activities for U.S. exporters to meet experienced professionals, key domestic and international trade associations, government agencies and ministries. **IE expo 2016** is the perfect platform to gain local market insights, meet targeted buyers and distributors, promote brands and products, and expand trade channels within the environmental technology industry.

We are eager to work with you to promote your products, services and solutions in China. We look forward to hearing from you.

Sincerely,

Terri Tyminski
Commercial Officer
