SCO/RSO Position Description Review Statement

Direction: This statement is to certify that access to classified information is not required in order to perform the duties of the position- to be signed by the SCO with the advice and/or concurrence of the RSO.

I have reviewed the position description duties listed above and have determined that they reflect the duties and responsibilities of a non-sensitive position which does not require access to sensitive areas at Post, as well as handling of classified or sensitive material.
