

PCI Education®

Premier Provider of Curriculum for Special Learning Needs

FEATURING

SpellRead™

- Builds English-language skills essential for critical safety, legal, or regulatory situations
- Intensive instruction links 44 English-language sounds (phonemes) to 26 letters
- Linkage is “phonological automaticity,” or automatic letter-sound recognition
- SpellRead instruction strengthens two sets of essential skills
 - Ability to identify words accurately and confidently based on phonological automaticity
 - Ability to form meaning based on vocabulary and comprehension strategies
- Proven results in building automaticity and comprehension
