About the Survey:

The Market Opportunity Survey captures the level of perceived the Firearms and Accessories business opportunity for U.S. exporters in the indicated market. The level of perceived opportunity is anecdotal, and based on the experience of our U.S. Commercial Service staff within U.S. Embassies & Consulates and their success in promoting the interests of U.S. Firearms and Accessories companies.

Opportunity Scale:

- 4 – High
- 3 – Moderate
- 2 – Low
- 1 – None Perceived
- * - Not Enough Info

The U.S. Commercial Service:

The U.S. Commercial Service is the U.S. Government's lead trade promotion agency with a network of experts in 75 overseas markets and more than 100 offices around the United States. For more information visit us at www.export.gov.
